Overview

WorldofMoney.org was founded in 2005 as a New York City based 501(c)(3) non-profit organization as a leading provider of immersive youth financial education. Over 5,000 youth have received World of Money's 120 annual classroom hours of immersive financial and entrepreneurial education. This approach has steadily broken a generational cycle and changed the way youth and their parents understand their money. Our immersive curriculum equips children with five tenets for a financially responsible and philanthropic life: learn, earn, save, invest and donate. Our financial presenters are stellar Wall Street professionals, business and legal leaders. In addition to World of Money online, the World of Money provides another youth financial education mobile app. The app is being utilized by national, local, regional and global organizations in Senegal, Ghana, South Africa and Rwanda. The World of Money develops financially responsible adults; one child at a time.
